English in Action!

Our school offers a variety of vibrant English exchange opportunities. Each week features new, engaging team teaching lessons created by our English department teachers and ALT. These teachers collaborate to publish a bilingual newsletter, *The International*

Understanding Times, each term. Every Thursday morning, students take part in our *Sustained Silent Reading* program. Those who join our English Speaking Society club can practice one-on-one native communication. In addition to visiting a local English Village, second grade students have a chance to experience using English as a shared language during a yearly exchange event in Taiwan.

The Story of Kashikiji-chan

When our school was founded in 1975, something out of the ordinary happened. A pheasant (*kiji*), a symbol of good luck, flew in the window! Since then, our mascot **Kashikiji-chan** has honored this auspicious event.
