### 本の紹介

『完全版 ピーナッツ全集 20: スヌーピー1989~1990』、  
『スヌーピー こんな生き方探してみよう』

I've liked Snoopy and Peanuts since I was a child. Snoopy is care-free and I'd like to live my life like that, too. Let's enjoy Peanuts!

My nickname was 'Charlie Brown' in high school. Have you ever read the comics? The stories are interesting and have a deep meaning. Let's try reading a story or two.

『あつかったら ぬげばいい』

The message of this book is very special. Sometimes we should take a step back and take a deep breath. Super!

『星の王子さま』

『グッド・フライト、グッド・ナイト』

『一生一途に』

『MONET』、『ROTHKO』、  
『アンディ・ウォーホル・キョウト』

Art is very relaxing for me. There are many painting styles so it's nice to enjoy many kinds of art.

This painting is called 'Circus Tightrope'. If we do something together, we can overcome many difficulties. The main character of my art is "George". Like Charlie Brown, he has many friends. They like the circus and music very much.

『まけるな!モズちゃん 地獄谷のサルと友だちになって20年』

『Into the Wild』

『I am a Cat』

'Into the Wild'  
John Krakauer, 1996  
This book is about a college student who goes on an adventure in Alaska. It's about escaping to live your dream.

My favorite kinds of books are mystery and short stories. I love Murakami Haruki and Higashino Keigo. I started reading Japanese books when I came to Japan.

『驚くべき天才の胸もはりさけんばかりの奮闘記』

『色彩を持たない多崎つくると、彼の巡礼の年』、『一人称単数』、  
『女のいない男たち』、『The Elephant Vanishes』
